

The Pastor's Minute

"Family"

Long ago when God created man, He wanted a family. He wanted a man to walk by His side for all eternity. With a longing for true friendship, His Word became the key. When He could have created anything, He created the family.

In the garden where God's family reigned, sin entered to destroy the communion between God and man; the fellowship that they enjoyed. God had the plan to redeem His man through His son at Calvary. Jesus came; once again, we reign as one big family.

Now the plans are made for the wedding day, the bride will soon be home. The groom is waiting patiently at the right hand of the throne. All the saints that gathered there; they ask, "How long will it be?" The Father replies, "Here comes the bride, it's the reunion of the family."

We are His family, ransomed from the fall. We are His family, victorious over all. We are His family, united as one we share in our inheritance. From all bondage we are free. We are His family.

What a joy it is to be a part of a family, especially, the Family of God. A place where there is genuine love and acceptance. A place to belong! A place to call home!

Family Worship Center is just that kind of place. We are a "Community of Spirit-filled believers committed to God's purpose of changing lives by worshipping God, leading others to Jesus, and building a unified team to reach and care for all at every stage of life." This is our purpose and our mission. We are not perfect people, just people who are forgiven. And now, by walking in the grace and merit of God, we experience the genuine love and acceptance that makes a family special.

Are you in need of "a place to belong"? Someone to care? Maybe your family is in need of a place to grow and mature in your walk with the Lord. If so, there is a family who cares, Family Worship Center.

Come alone, or bring the whole family, and see for yourself. You'll be glad you did!

See Ya Sunday,
Pastor Johnny
